Page : 1 of 1

Description

Forma Shine 100 is an additive for neutral and alkaline Bio-Circle cleaning products. It gives the cleaning bath an additional derusting effect against flash rust, counteracts the darkening of steel and generally improves the cleaning performance. This booster effect is primarily achieved with cracking and brake dust.

Forma Shine 100 is particularly suitable for use in combination with the Bio-Circle STAR and ALUSTAR products.

Application

Recommended concentration (in volume%) for typical uses of the product:

Dipping bath	max. 2%	hot-water parts washer (HTW)	max. 2%	Bio-Circle HP Vigo	max. 2%
Ultrasonic bath	max. 2%	Bio-Circle Turbo	max. 2%	Bio-Circle HP	max. 2%

Compatibility with common materials:

Steel / Stainless steel	resistant	Aluminium	resistant	Non-ferrous metals	resistant
plastics	resistant	painted surfaces	resistant	Galvanized surfaces	not resistant

In the case of sensitive materials, please test the product on a sample or an inconspicuous part of the individual piece before use. If you are unsure, we will be happy to advise you. Further information on labeling, handling and disposal of the product is available from the safety data sheet.

Key to above table :

resistant	limited resistant	not resistant
